

LYMDATA LABS
HUMAN. DIGITAL. FUTURE.

FOR CAR RENTAL COMPANIES

 FMS

Your whole rental business. **One app.**

Bookings, cars, drivers, payments and papers. All in one place, on the office computer and the driver's phone.

Quotes while on the call

No double bookings

Get paid on the spot

Never miss a renewal

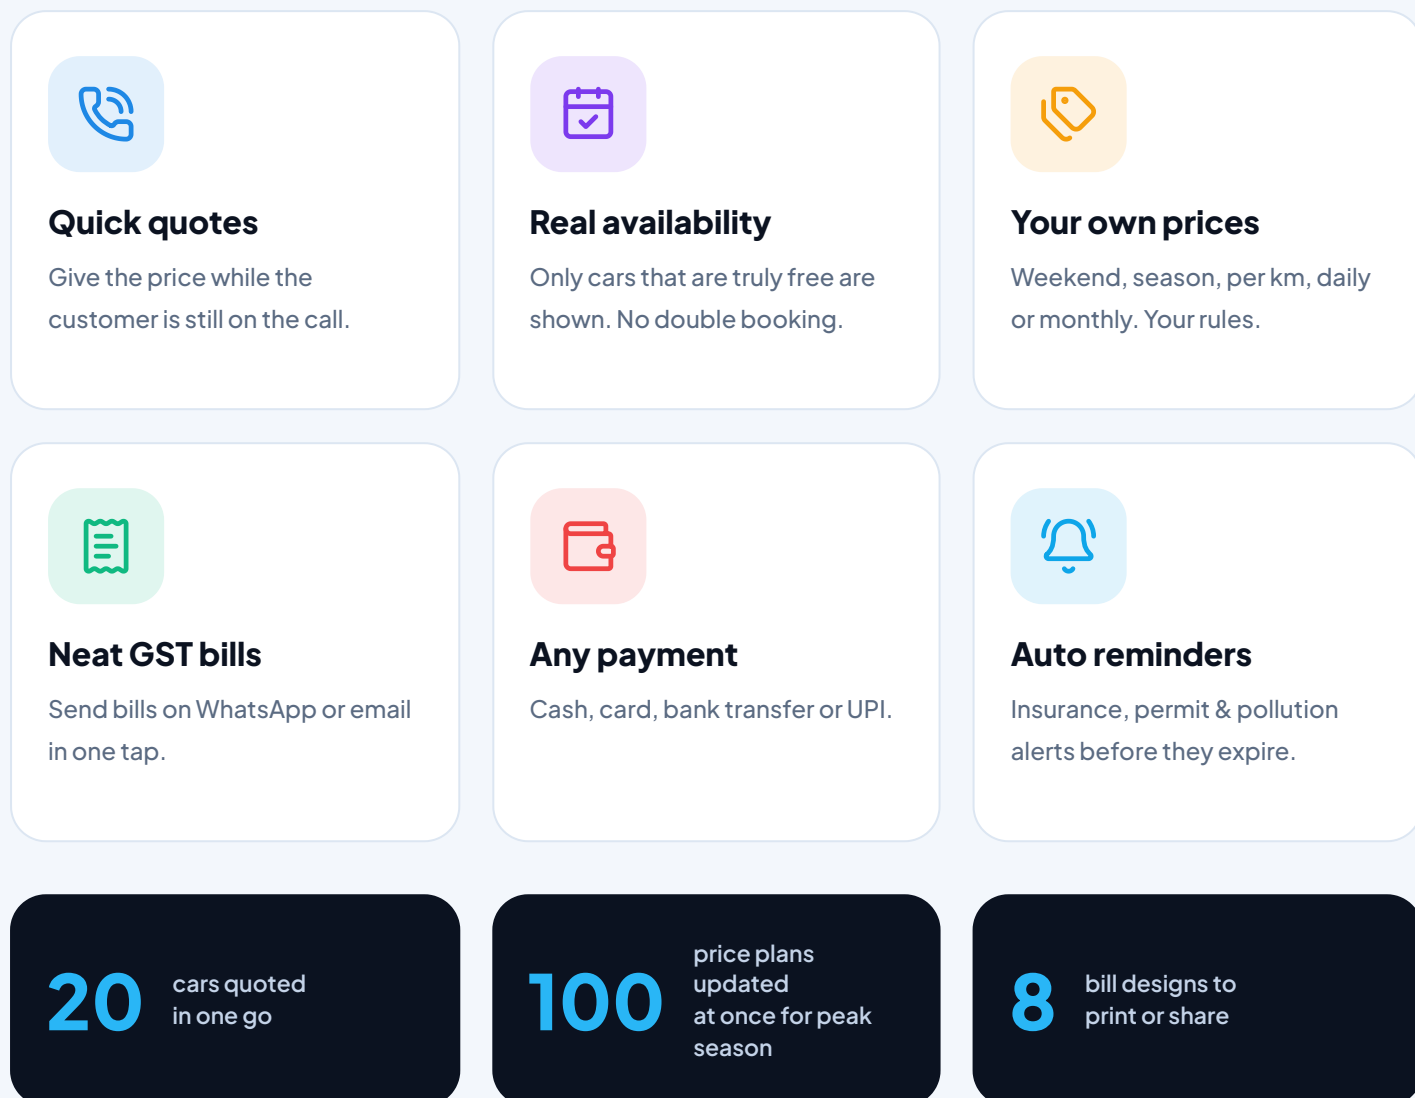

THE PROBLEM

5 places to check. Or just one.

AT THE OFFICE

What FMS does for you

Every car, step by step.

The driver's phone and the office see the same thing, live.

Papers remind you

- Insurance Valid
- Permit Valid
- Pollution 7 days left
- Fitness Valid
- RC Book Valid
- Tax token Expired · car blocked

Everyone sees only their part

- Owner**
Sees cars, money due & renewals at a glance
- Office & sales**
Opens straight to a new quote
- Driver**
Sees only today's trips on the phone
